

Hyatt Vacation Club Resorts Points Chart

Club points have been assigned to reflect the anticipated reservation power and demand for each unit week in the system. You will use your points to access the reservation system and confirm all club reservations. At your option, you can convert to points as early as the first day of the Home Resort Preference Period, giving yourself

a full year to shop the club for suitable reservations. If you elect to use your deeded unit and week, you must call 1-800-GO-HYATT,® during the Home Resort Preference Period, and there will be no club points assigned for that year. All other reservation confirmations require a conversion to points.
